

INSTITUTE OF CREATIVE AND INNOVATIVE MANAGEMENT OF NIGERIA (ICIMN)

(Approved by the Federal Ministry of Education)

ABOUT THE ICIMN

The Institute of Creative and Innovative Management of Nigeria (ICIMN) is a Professional Body duly approved by the Federal Ministry of Education, guaranteed by the Federal Ministry of Justice and incorporated by the Corporate Affairs Commission (CAC) under the Companies and Allied Matters Act (CAMA) 1990. The Institute is aimed at promoting creativity and innovation in Management, Entrepreneurship, Leadership and Administration through education, training, research, development and dissemination of knowledge. The ICIMN is also aimed at building a creative and innovative management think tank that gives managers insights into introducing innovation within their organizations.

The Institute of Creative and Innovative Management of Nigeria is bringing together a global network of professional managers, entrepreneurs, corporate decision-makers, researchers, faculty and students drawn from the management sciences, social sciences, engineering and sciences to develop creative and innovative management tools for today's most pressing business and organizational challenges.

OUR VISION

To be a world class management think tank dedicated to the use of creative and innovative management research and development for practical purposes.

OUR MISSION

To continuously produce and transform professionals into industry-shaping creative and innovative business managers, entrepreneurs, leaders and administrators.

ICIMN SERVICES

The Institute's services are broadly classified into three:

- ❖ PROFESSIONAL MEMBERSHIP AND CERTIFICATION
- ❖ TRAINING AND CONSULTANCY
- ❖ RESEARCH AND DEVELOPMENT

PROFESSIONAL MEMBERSHIP & CERTIFICATION

The Institute of Creative and Innovative Management of Nigeria (ICIMN) has five (5) Professional Membership categories and awards depending on an individual's academic accomplishments and career/professional achievements in Management, Entrepreneurship, Leadership and Administration.

1. DOCTORAL FELLOWSHIP: The Doctoral Fellowship of the Institute of Creative and Innovative Management of Nigeria (ICIMN) is a pinnacle of recognition which is strictly by invitation to honor exceptional individuals who have left an indelible mark on their communities, both nationally and internationally, and have significantly advanced specialized fields of knowledge and competency. It is like an Honorary Doctorate (Honoris Causa) meticulously conferred on outstanding Managers, Entrepreneurs, Leaders, Administrators, Technocrats, Philanthropists, Diplomats, Politicians and other eminent individuals. This prestigious Doctorate award not only symbolizes individual excellence but also underscores ICIMN's commitment to recognizing and celebrating those whose impactful contributions have transcended borders and enriched societies worldwide. A person invited and conferred with this prestigious honour shall be entitled to use the initials "DR (before his/her name) and FCIMN (after his or her name)".

2. FELLOWSHIP: Fellowship of the Institute is a prestigious professional recognition. Unlike Doctoral Fellowship which is strictly by invitation, Fellowship is opened to applicants who possess a Doctor of Philosophy (Ph.D) degree in any discipline with demonstration of scholarship through publications in reputed journals. Persons with Master's degrees and not less than 10 years of work experience are also eligible to apply for the Institute's prestigious Fellowship. A person admitted and registered into this category shall be entitled to use the initials "FCIMN" after his or her name.

3. FULL MEMBERSHIP: A person seeking professional training and certification as a FULL MEMBER shall possess a minimum of a Bachelor degree or HND in relevant discipline with at least seven (7) years post qualification experience or a Master's degree awarded by a recognised University with not less than three (3) years post qualification experience. A Person trained and certified into this category shall be entitled to use the initials "MCIMN" after his or her name.

4. ASSOCIATE MEMBERSHIP: A person seeking professional training and certification as an ASSOCIATE MEMBER shall possess a minimum of Bachelor degree or HND in relevant discipline awarded by a recognised University, Polytechnic or College of Education. A Person trained and certified into this category shall be entitled to use the initials "ACIMN" after his or her name.

5. CORPORATE MEMBERSHIP: The Corporate Membership of the ICIMN is an exceptional opportunity for organisations in all sectors to access a wide range of creative and innovative management development support, with no limitations on the number of employees who can benefit. The Corporate Membership enables organisations to showcase achievements and professionalise their employees' creative and innovative management journey with our digital credentials and post-nominal letters. Organisations also enjoy great savings on our conferences and events, allowing them to stay ahead and be inspired by industry leaders. It also gives organisations access to a wide range of micro-courses to enhance business-related skills and empower their employees to thrive in their careers.

BENEFITS OF ICIMN PROFESSIONAL MEMBERSHIP & CERTIFICATION

Members of the Institute of Creative and Innovative Management of Nigeria (ICIMN) enjoy the following benefits:

1. **Recognition and Prestige:** The professional membership and certification of the ICIMN empowers Members with the right to use one of the initials ACIMN, MCIMN, FCIMN, DR-FCIMN (for Associate, Full, Fellow and Doctoral Fellow respectively) as a formal acknowledgement and mark of professional status.
2. **Career Advancement:** The professional membership and certification of the ICIMN which improves your professional image, prospects for employment/appointment, promotion and salary potential.
3. **Increased Visibility and Publicity:** The Institute's professional membership and certification attracts media attention and public interest. This may open doors to new opportunities, invitations to speak at conferences, thereby, elevating the member's professional standing.
4. **Local and Global Networking Opportunities:** ICIMN Members often gain access to exclusive networks and communities. This can lead to valuable connections with other distinguished individuals, fostering collaboration and the exchange of ideas on a local and global scale.
5. **Enhanced Credibility and Authority:** The title of "DOCTORAL FELLOW" and "FELLOW" commands respect and suggests a high level of professionalism and expertise. This honor enhances the recipient's credibility and authority in their field, providing them with a platform to influence and inspire others.

CODE OF ETHICS FOR PROFESSIONAL MEMBERS OF THE ICIMN

All registered and certified members of the Institute are required to conduct themselves in a professional manner and maintain a high degree of integrity, impartiality and professionalism in dealing with fellow professional colleagues, clients and members of the public.

Members of the Institute must:

- ❖ use their creative and innovative knowledge and skills for the advancement of the society.
- ❖ be honest and impartial, and serve the public, their employers and clients with fidelity.
- ❖ avoid any act either in the work place or any other places in the society that is likely to tarnish the image of the Institute.
- ❖ attend all meetings, conferences, mandatory programmes and other social events where members are invited.
- ❖ avoid interfering with the governance and management of the Institute.
- ❖ pay their annual subscriptions as and when due.
- ❖ remain loyal to the authority of the Institute.

ICIMN TRAINING & CONSULTANCY SERVICES

The ICIMN is a leading management training and consultancy services provider offering numerous short term training programmes to the private and public sectors across Nigeria. Our in-house training, learning and development solutions are highly flexible, efficient, cost and time-effective. ICIMN provides practical, result-focused business and individuals' performance improvement solutions to drive topline growth, realize productivity gains, and improve product and service performance.

The ICIMN ensures that our seasoned team of trainers and consultants maintain relevant accreditation and partnership with bodies such as Centre for Management Development (CMD); Nigeria Institute of Training and Development (NITAD); Human Capital Providers Association of Nigeria (HuCaPAN) etc. Our trainers/facilitators are hands-on with relevant industry experience that enables them to deliver value through knowledge and experience sharing.

The Institute's training and consultancy services are aimed at helping to raise productivity in Nigeria. In achieving this, the Institute strongly believes that our job is complete until our ideas have been successfully implemented and accepted by the clients.

ICIMN RESEARCH AND DEVELOPMENT SERVICES

ICIMN is a world leading research institution dedicated to delivering solutions to a broad range of organisations of all sizes. We have world class academics and professionals from a wide range of disciplines that are bringing significant benefits to our business partners that want to achieve future growth, stay abreast of developments in their industry and reduce production costs.

Some of the benefits of research and development at ICIMN are:

- ❖ Inexpensive way to explore new ideas and find a gap in the market
- ❖ We have world class equipment, expertise and facilities to conduct research projects and are continually investing money in the latest technology
- ❖ Improving brand reputation and profile and potentially attract future investment
- ❖ Bringing innovative products to the market could give your business a competitive advantage.
